

## Wedding Form

Please print a copy of this form in your early planning stages so you can get an idea of the information that we'll need from you. Once you have ALL of the questions answered, please enter them into the form and submit it to us no later than 2 weeks prior to the wedding.

\*\*\*One note about music. Due to copyright law we are not able to use music from YouTube and other streaming sources. We must be able to purchase the songs from a legal source. Itunes (Apple Music) and Amazon music are both good places to check. Also, about 99% of the music on Spotify is available for purchase from at least one location. That's why we recommend it the most as the primary source for confirming songs. The only ones we cannot get on Spotify are the ones labeled "Spotify Exclusive". We appreciate your understanding in helping us maintain a high standard and ask that if any of your songs do not fall under this criteria that you find an alternative song. If you have a question about the availability of a specific song please send us an email and we can check for you.\*\*\*
